## SMALTO GEL SEMIPERMANENTE

La linea smalti gel semipermanenti Estrosa comprende un'ampia gamma di colori glamour extra-brillanti: laccati, glass, fluo, perlati, metallizzati, glitter sfavillanti e cat's eyes, per creare unghie sempre straordinarie. Facili e veloci da applicare grazie alla texture fluida e morbida, permettono di realizzare unghie perfette per 3 settimane senza sbeccature.

**Importante:** i colori FLUO si "illuminano" al buio se le unghie vengono esposte alla luce di raggi ultravioletti (luce led o neon).

### STARTER KIT
